## ELITE CAMP FEATURES

Mike Johnson's Dolphin Soccer Camp will offer individuals and teams the opportunity to train with the most modern training techniques available for technical and tactical development. The instruction ratio is 11 players per coach.

The camp will emphasize high-level technical development (dribbling, trapping, passing and shooting) which will allow players and teams the opportunity to raise their level of play. Tactical development will be emphasized through game situations in attacking and defending both as an individual and team.

Individuals and teams will be instructed and evaluated in small-sided game situations and through full-sided match play. Daily competition will be held in 2 vs. 2, 3 vs. 3, 4 vs. 4, 5 vs. 5, 7 vs. 7, and 11 vs 11. Specialized goalkeeping sessions will be offered at all camp sessions as well.
